

Dear Friends and Fans of Marcus and the 7 Fabulous Mumford Kids,

As we mourn the loss of a great man, a true friend, and a genuine American hero, many have wondered what they might be able to do to help. In response to an inspired suggestion, and with the grateful cooperation of the family, I am providing the education savings account information for each child in the Mumford family for anyone who might feel inclined to make a donation in Marcus' honor.

Our friend was a scholar, a philosopher, and a cowboy poet, and was deeply committed to lifelong learning. I believe that he would be pleased to be remembered in this way. I also believe that your generous contributions will help each of the Mumford kids have an opportunity as they transition into adulthood to remember their dad fondly and to know that many people loved and admired him.

Instructions for each member of the crew are listed below. Grace is graduating this June and will be attending the University of Colorado and hopes to progress to medical school. All other family members are still engaged in their journeys.

Please feel free to contact me with any questions.

With Love,
Whitney K. Clayton (wclayton@touchstoneadvisorsllc.com)
